

English Versification, 1570–1980: A Reference Guide Hypertext Version

This hypertext document is protected by copyright. You are authorized to use, distribute, copy, or print any portion of the text contained in any file linked in this set—i.e. any text contained in the original 1981 printed version of this book as reproduced here in Adobe Acrobat PDF format-- but only if you give full source attribution in the target document, including exact quotations, author, title, copyright date, and the Internet FTP download address from which this work may be obtained. Default URL is <ftp://ftp.webmetrics.com> but the most current URL is in the readme.txt file accompanying the PDFs. Failure to give full source attribution constitutes willing and knowing violation of federal copyright law.
